Dear Parents/Carers

It is with great sadness that I need to share with you that Mrs Claire Williams, teacher of Life/RE, Sociology, Psychology and Health and Social Care passed away on Friday last week.

Since joining us in 2008, Mrs Williams developed the Life/RE curriculum. In this role she worked closely with our local MP to give students the opportunity to travel to London as part of the Bassetlaw Citizenship Summer School, something which she was extremely passionate about. Mrs Williams joined the Senior Leadership Team in September 2018 where she oversaw the Y6 into Y7 transition process and successfully implemented a new mental health strategy to support the mental wellbeing of all students.

This news has saddened us all and I know will also affect a lot of our students. If your child needs any support through this difficult time, please get in touch with their Learning Manager.

Our thoughts are with Mrs Williams' family as this time.

Yours faithfully
