

30th April 2020

Dear Headteacher,

Thank you for everything you and your team are doing to keep pupils safe and learning while schools are shut.

We wanted to do our bit to help, so have launched a daily online **cooking class** run by a leading chef at the **Jamie Oliver Cooking School** and supported by the Laidlaw Foundation.

Jack Deane is volunteering his time for Bite Back 2020 and presenting the cook-alongs live from his kitchen at home in West Sussex.

The cook alongs are fun, easy to follow, and teach some key skills, but best of all, children will have a delicious, healthy and nutritious lunch at the end of it all.

All the ingredients come from the Bite Back 2020 weekly [shopping list](#), price-checked to come within the £15 free school meals budget at a national mid-range supermarket.

Please share the #CookWithJack class with your families. To help with that we have included a note that can be attached to your newsletter or be sent straight out to parents and carers by email. If you would like to share as part of your home-learning resources pupils, please use this link bit.ly/BiteBack2020

Warm wishes,

Melanie and The Bite Back 2020 Team
